GIRLS IN THE NIGHT

Intro

Girls in the Night entertainment for lesbian community for 9 years, 8 months,18 days, and12 hours. In addittion to producing events all about & for women that love women we have produced 43 fundraisers during our tenure raising over $97,000.00 for 30-40 different organizations. We love what we do,and look forward to the next 10 years (Girls in the Twilight).

We welcome women from all walks of life to join our organization, after all,... We have over 9,000 bosses in 3 states (GIN Members), so a few thousand more won't hurt (smile). Currently we have decided to take a leave of absence from our home base, (South Miami Beach). Atlanta has been our second home for the past two years and we have over 1,500 members in the ATL alone. (THANK YOU ATLANTA!)

1,300 women in the N.Y. area have signed up for GIN so now it's time to take our concept national. This Fall we will produce our first event in Washington D.C. and New York/New Jersey.

So get on the list girl or there's no telling what you might miss!!

NAKED

Sometimes, Sometime.

With Paris beside me
An accented embrace in me
And the silhouettes of The Before's
Behind Me,

We'll Be..
Elusive In a queer city
With flashlight eyes turning on the night
On a broken bed
With a naked angel
In a rented room
Making sense of the smoke

From the ashes we were a moment ago
in the world of yesterday

Sometimes, Sometime.

Beneath a long day's blister In a
Broken America's
Indian Summer
I'll reveal to you the blood
of an empty pen's bleeding ulcer
and the stained sheets of lonely paper

And We'll Be...
Naked Angels in a Melting Pot winter
With our weary arctic souls sharing the same heaven,
equal halves in a UniSex-w-Hole,
Without Segregation.

Deardria Asrie Enne Nesbitt

Deardria Asrie Enne Nesbitt

AUTHOR, POET, PLAYWRIGHT

Deardria has been writing fantasies about strong black women since the age of nine. Now at 35, she continues the fantasies with a semiautobiographical zest that even makes her giggle when she reads her own material.

Born and raised in New York, Deardria has co-owned and operated an entertainment management, consulting, and promotional agency. She relocated to Atlanta to continue her smooth, sexy, chocolate series mainly about GIRLS AROUND THE WAY. She presently lives in the Metro Atlanta area with her 14 year old daughter and her lover of 8 years.

We would like to salute Deardria for her hard work and dedication, and for enriching our community with her work.

Deardria's play will be presented at the **Wyndam Hotel on Sunday September 6, 1998** at 8 p.m. get your tickets early.

ATLANTA'S NEW FUNK SUPERSTAR...

Relaxing in a midtown cafe, Atlanta's newest Funk superstar is recovering from a wild night of recording. Her hair wild, her clothes don't match, and her shoes are on the table. The only thing that tells me that this woman has it together is the confident look in her eye.

Divine, 25, Atlanta born and raised, has been the center of music mania lately. She spends 10 of her 26 hour days in what she calls "sound booth bondage". But that's O.K. with her, music is her hustle so she's constantly on a mission. Her music is playing throughout the cafe, which adds a very unique element to our meeting. As I sip my espresso, I listen and I learn that this 'Transcendental Funk' stuff is all about.

Transcendental Funk is me. I am transcending. I am coming from a negative situation to a positive. My music has kept me sane through everything I have been through. My spiritual adviser gave me a candle which she said was the light of transformation, and these words she said to me, 'Divine through music you can transform what is negative into positive. When you balance the energy within your body, your mind will flow more easily with life.' This experience moved me so much that I burned the candle she gave me constantly. My roommate thought I was crazy and blew it out....it relit itself!

The transcendental funk collection is a collection of songs in the key of life. In this collection you will find a little of everything, from sexy vocals to wild guitar solos. Divine has brought her ghetto RB vibe to alternative world and through this experience she has created a new style of music.

ivine will be performing "a journey to Erotica" at Pleasure. at Club Jaguar Friday Sept. 4,98
